

How to align climate priorities with executive compensation ?

18 March | 11.00 – 12.00 CET

As companies acknowledge the need to transition to more sustainable business model, regulators, investors and stakeholders at large also expect board members to reflect ESG commitments into executive compensation frameworks.

To this effect, WTW, in partnership with Climate Governance Initiative, developed the [Executive Compensation Guidebook for Climate Transition](#). To help board members and remuneration committee members of European companies to drive Climate transition strategies by meaningfully embedding by within executive compensation schemes, ecoDa and WTW are jointly organizing this webinar on **18 March 2022 (11.00-12.00 CET)**.

The webinar will consist of a 20-minute presentation of the Executive Compensation Guidebook, followed by a 40-minute panel discussion with very experienced board members.

Panelists:

- **Shai Ganu**, Managing Director, WTW;
- **Michael Hilb**, Chair, International Board Foundation;
- **Natasha Martsekis**, Secretary General and Founding Member, The Non-Executive Directors Club in Greece;
- **Manuel Montecelos**, Executive Compensation & Board Advisory Senior Director Europe, WTW.
