Chapter
Zero Italy
The Nedcommunity Climate Forum

Clara de la Torre
European Commission

Joseph Goffman
US Environmental Protection Agency

Please join us for this international event featuring prominent government officials from Brussels and Washington who will address European and American strategies for achieving Climate goals. Our guest panelists will discuss the aspirations, challenges and "speedbumps" on the road to meeting global climate objectives. This session will be of particular interest to NED's who want to better understand the policy frameworks that will inform their work in developing and deploying a Climate Governance approach at the Board of Director Level.

Welcome Note

Maria Pierdicchi, President, Nedcommunity

Co-Host Comments

Silvia Stefani, Steering Committee Chair, Chapter Zero Italy

Cédric Brusselmans, Steering Committee Chair, Chapter Zero Brussels

Friso van der Oord, US Climate Initiative, hosted by National Assoc. of Corporate Directors
